MAJOR CLUB ACTIVITIES

Scholarship Program

Each year the Capital Rotary Club awards 8 scholarships of \$2,000 each to carefully selected college students from the Columbia area. Our club has awarded over \$100,000 over the past years to Students in the Richland One area. These students may attend any school of their choice anywhere. The students' academic performance is closely monitored, and the students' overall GPA must meet certain requirements to maintain the scholarship. The scholarship program is primarily funded by our annual holiday wreath sales.

Meals on Wheels

The Capital Club has a weekly delivery route for Senior Resources' Meals on Wheels program. Each member is expected to participate on a rotating basis throughout the year. The Club provides additional support to the Meals on Wheels recipients during the holiday season in December.

Dictionary Project

Each year the Club distributes approximately 750 dictionaries to third grade students in Richland School District One. Teams of members visit each school in the program, deliver the dictionaries, and introduce the students to the ideals and objectives of Rotary.

Other Activities

In recent years the Capital Club has participated, either directly or financially, in numerous community and international projects, including: Habitat for Humanity, Harvest Hope Food Bank, Rotary International water projects, Rotary's Ambassadorial Scholar Program, Rotary's Youth Exchange Program, Salvation Army, Rotary Disaster Relief, and numerous others.

ATTENDANCE REQUIREMENTS

Regular attendance is required. You are *automatically dropped* from membership if you miss four consecutive meetings without making up or if you attend less than 30% of our Capital Club meetings. Missed meetings may be made up two weeks prior to or two weeks following the absence. In addition to attending another Rotary Club meeting, the following will also be considered a make up:

- Attending a board or committee meeting.
- Participating in a club project or activity, including delivering Meals on Wheels.
- Attending or participating in any Rotary sponsored meeting, project, or activity.

Attendance Goal

100% Attendance

In Columbia, this is easy to do as there are 15 Columbia area Rotary Clubs. Seven meet at 1:00 p.m. and one at Noon Monday through Friday, one at 6:00 p.m., and 5 others (in addition to

Columbia Capital) meet for breakfast. Make it a *personal goal* to make up at least once with every Columbia area Club.

FINANCIAL OBLIGATIONS

Your financial commitment to the Club consists of four elements: Dues, Meals, Scholarship Fund and the Rotary Foundation. The club follows the Rotary International fiscal year, July 1 through June 30. Therefore, fiscal quarters are 1st, July – September; 2nd, October – December; 3rd, January – March and 4th, April – June. You have an annual obligation, but you are given the opportunity to remit it in quarterly, semi-annual or annual installments. You will be billed at the beginning of each quarter. **Your total Quarterly Financial Commitment is \$195.00**, and it consists of the following:

Dues:

The annual dues amount is set by the Board to cover (1) dues owed to Rotary International and District 7770 and (2) Operating expenses of the club. Currently dues are \$190.00 per year, payable **\$47.50 per quarter**.

Meals:

Meals are payable at **\$110 per quarter**. This cost is determined by the rate charged by the Palmetto Club. The Club is billed for meals at the end of each month. Therefore, it is essential that you pay your club bill promptly, so the club will have funds to pay for the meals. Because of the administrative burden involved and in order to encourage members to attend with their home club, no credit is given for missed meetings.

Scholarship Fund:

Because of our focus on support of youth, we require each member to contribute \$50.00 annually to the club's scholarship fund, **payable \$12.50 per quarter**.

Rotary Foundation:

We expect all members to support the work of the Rotary Foundation as sustaining members, which requires a \$100.00 annual contribution, **payable \$25.00 per quarter**.

Administrative Fee:

There is a **one-time \$50.00 administrative fee** for new members, which will be included in your first statement.

ROTARY BENEFACTOR PROGRAM

Members are encouraged, and participation is expected, to become Rotary Foundation Benefactors. In this program, members make provisions in their wills to provide \$1000.00 to the Foundation. Our goal is 100% of our membership electing to become Benefactors.

RECRUITING NEW MEMBERS

Become a good recruiter for our Club. Read "*How to Propose a New Member*". We want good members, hand picked and selected with care.

HOW TO HAVE FUN IN ROTARY

Join in. Participate. Help our Club have good members, speakers, meetings, socials, Rotary scholars, student exchanges, group study exchanges, community programs, a strong Rotary Foundation, Club Assemblies, District meetings, International meetings, etc.
